Symposium title (65 characters)

AUTHOR 1, AUTHOR 2, AUTHOR 3, etc

Department; Institution; City, State

Track: Patient Centered Outcomes Research / Innovations in Education / Clinical Practice and Community Engagement (select one & delete others)

Symposium Overview
This is the overview of the symposium we are submitting. This should provide a foundation for the reviewers to understand how the subsequent abstracts are associated with each other. Subheadings are not required for the overview.

Word Limit: 350 words

GUIDELINES FOR SUBMISSION: Symposia must be submitted as an email attachment in a single MS Word Document to Sherece McGoon (McGoon@uthscsa.edu). Prior to emailing your abstract, each listed author on each abstract must complete the required bio/disclosure form online at https://www.surveymonkey.com/r/UTHSCSA_COI. The symposium submission will not be forwarded for review if the bio/disclosure form is not completed.
ABSTRACT
This is my abstract introducing the interesting study I recently completed. Reference lists are not generally included.

Word Limit: 350 words

Remember to use the required subheadings: Background, Purpose, Methods, Results, and Conclusions. Additional subheading may be added if necessary.
2016 Conference for Community Engagement and Healthcare Improvement: Social Justice, Health Equity, and Value-based Care

Abstract #2 title (65 characters)

AUTHOR 1, AUTHOR 2, AUTHOR 3, etc

Department; Institution; City, State

Email for first author:
